

Economic Development Committee Update

March, 2020

1. Aliceanne Zaras continues to guide the memorial brick purchase program. 35 bricks have been sold as well as two benches. The goal is to obtain sales of approximately 75 bricks so that in the spring we can begin the process of installing them in the memorial parklet along with some new landscaping.
2. Both the Signal Box art and the Crosswalk art projects are still scheduled for spring of 2020. It has been difficult finding artists who want to paint the signal boxes so the committee will be talking to the high school art department as well as looking at vinyl wraps.
3. The EDC has created a website page to be used in the future for publishing and disseminating information about Bridgeville. The website that will be used to showcase Bridgeville to potential new business and property owners as well as provide information to local residents.
4. We have available a signage grant program to be used for the remainder of the current fiscal year and will be discussing it further in our March meeting.
5. The 2020 Main Street conference will be held in Dallas in May. Bruce Smith has signed up to attend.
6. The EDC has positions open on the committee so if anyone has a suggestion for someone as a member, please let us know.

Richard Grinnell

Chairperson, Economic Development Committee
